

24 April 1956

Subject: Proposal for Overseas Support Services 1 July 1956 thru
30 June 1957, Revised, 24 April 1956.

Reference: (a) Contract FS-99 dated 30 November 1955.
(b) Change Proposal No. 1, Revised, dated 24 April 1956
(c) Proposal for Overseas Support Services 1 July 1956
thru 30 June 1957 dated 15 March 1956.
(d) Telecon 2 April 1956, WCM to GK.

Enclosure: (1) Appendix No. 1 Estimated Cost of Performance 1 July 1956
thru 30 June 1957, Revised, dated 24 April 1956.
(2) Appendix No. 2 Schedule Overseas Differential for Field
Service Personnel, 18 Months Program, Revised, 24 April 1956.
(3) Agreement of Employment

Gentlemen:

In accordance with your request of reference (d) we herewith submit our proposal for Overseas Support Services to cover the field service personnel assigned to detachments and the factory personnel on temporary assignment overseas for the period 1 July 1956 thru 30 June 1957. As discussed in reference (d) and shown in enclosure (1), each of the three (3) teams will operate with nine (9) men, one (1) Roving Field Engineer and during the course of the program will have the support of factory engineering personnel on temporary assignment.

The terms and conditions, as they generally apply to this program, as presented in Contract FS-99 dated 30 November 1955 and as proposed for amendment by reference (b) and (c) proposals are satisfactory and recommended for incorporation into contract coverage of this activity. Enclosure (1) reflects the Estimated total cost of performance of the program from 1 July 1956 thru 30 June 1957 as \$444,703.00.

Enclosure (2) reflects the change in the estimated total of the overseas differential for the 18 months program to be \$66,528.00 based on three (3) teams of nine (9) men each and one (1) Roving Field Engineer.
